Program Overview

The Diploma in Hospitality Operations awarded by CCTB aims to focus on understanding the fundamental aspects of the hospitality and tourism industry. Students are given emphasis on developing required knowledge and skills such as food handling, workplace safety, good customer service skills, effective communication skills, leadership, and teamwork as well as other relevant professionalism topics related to the industry.

Why study this program?

This program will provide students with the necessary skills to break into the Hospitality and Tourism industry. Hospitality operations will introduce you to essential concepts such as workplace safety, responsible serving and food handling, first aid, hazardous material handling, industry specific marketing practices, accounting principles and much more.

International Tuition
Fee after Scholarship*

\$13,000
CAD \$9,000

This program includes **16 weeks** of scheduled breaks.

*Additional fees may apply. Textbook costs are not included.

Learning Outcomes

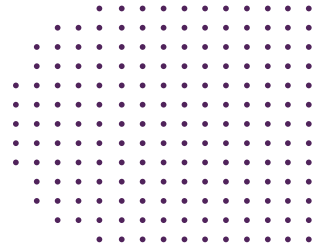

The program prepares students to be job-ready with real-world experience for a world-class hospitality and tourism career. At the end of this program, students will have developed the knowledge and skills required to meet industry demands.

Career Opportunities
