CCTB to VCC Articulation Pathway Guide for Students

Transfer from CCTB (Information Systems Technology) to VCC (Computer Systems Technology Diploma)

Transfer your CCTB ISTD courses to VCC CST Diploma seamlessly, save tuition, and obtain a second diploma that is eligible for a **Post-Graduation Work Permit (16 months) after graduating**. This transfer is only eligible on a first-qualified, first-admitted basis with limited seats available per intake.

Students who choose to transfer to VCC's CST Diploma program must also meet VCC's Admissions Requirements.

2023 

Schedule

This is a sample timeline for the CCTB to VCC Articulation with all VCC Admissions Requirements met before application window closes. Application to VCC CST is open only for May and September CCTB intakes.

Students must start in the May or September term at CCTB and fulfill all admissions requirements in the first term before submitting complete application package during application period.

Legend

- Required Course
Must get at least 66%
- BA 101*/MTH 108*
Asynchronous Delivery
- Standard ISTD Course
Required to pass ISTD Program
- VCC Timeline

How to Apply

1. Register for CCTB ISTD program in May or September intakes

- Complete the required courses (at least 66%) at CCTB ISTD program:
 - BA101, ITF101, ITF105, ITF103, MTH108

2. Meet VCC Admissions Requirements

- Obtain at least 66% in required CCTB courses
- Grade 12 completion (High School Diploma)
- English 12 with a C grade (60%) or equivalent
 - TOEFL: Overall 80; IELTS Academic 6.5 (no <6.0), Duolingo 115, PTE 56, ILAC PW 3.2, ILSC A2
- Pre-Calculus 12 with a C (60%) or Math Foundations 11 with a C+ (65%), or VCC Math Assessment
 - VCC Pre-Calculus assessment minimum 72%, OR
 - VCC Intermediate Algebra assessment with minimum of 52%
- You must meet VCC Admissions Requirements before applying

3. Apply for VCC Admission online:

- Go to <https://educationplannerbc.ca> to apply to VCC's Computer Systems Technology Diploma during the designated application window.
- NOTE: Application fees are non-refundable.
- Step-by-step guide: <https://www.youtube.com/watch?v=4xkURYD4yMg>
- Upload required documents:
 - i. High school transcripts, Proof of English, VCC Transfer Request Form, Study Permit, the most recent CCTB transcript
 - VCC Transfer Request Form Instructions:
 1. Select "MOU" in "Sending course" column
 2. Select "CCTB" in "Transfer from" column
 3. Select "Computer Systems Technology Diploma" in "VCC Course" column

It is strongly recommended to finish CCTB ISTD Diploma while waiting for admission at VCC as seats may be full for the requested intake. International students must also continue pursuing full-time studies for the duration of their study permit.

4. Study at VCC to complete CST Diploma

- Students will be admitted to Term 2 of VCC's CST Diploma (Total of 5 terms)
- Remaining 4 terms will be completed in 16 months with no academic break
